your mind and illuminate
your future!

SciTech is an annual community enrichment program in science, math, and technology for rising eighth grade students in Winston Salem and Forsyth County sponsored by:

PTRP

Wake Forest Baptist Medical Center

Winston Salem State University

Participants in this free program will receive age and grade-appropriate classroom exposure to science and math in a fun and hands-on environment. Students will do their “exploring” on the campus of Winston Salem State University and the Piedmont Triad Research Park with instruction provided by faculty from Winston-Salem/Forsyth County Schools, Winston Salem State University, and Wake Forest University School of Medicine. There will also be guest speakers from area technology companies as well as field trips to local businesses and institutions. Please visit our website at www.ptrp.com/community/scitech.html.

There will be three programs this year as outlined below:

Program Title	Program Theme	Program Dates	Registration Deadline
SciTech Spring Mini Camp	Engineering/Robotics	April 2-3, 2012	February 15, 2012
SciTech Summer Camp	Bio-Technology/Lab Work	June 18-29, 2012	April 15, 2012
SciTech Fall Mini Camp	Technology	October, 2012	September 7, 2012

Activities for each program will start each day at 9:00 AM and end promptly at 5:30 PM.

Participation

Each program is limited to 50 students who have an interest in math, science, and technology and/or have a strong desire to learn more. To be considered for SciTech Technology Institute a student must:

1. Be a rising eighth grader enrolled in Winston-Salem/Forsyth Schools.
2. Complete online survey at <https://www.surveymonkey.com/s/scitechapp2012>.
3. Submit \$10 registration fee through secure online payment system at end of application.

If you are not able to submit application electronically you may:

1. Complete attached application.
2. Sign bottom of form and have parent or guardian sign as well.
3. Type an essay (250 to 300 words) answering ONE of the following questions and attach it to the back of application:
 - Why is science important?
 - How do I use math in everyday life?
 - What technology would I like to invent?
4. Mail \$10 registration fee (payable to PTRP Development Corp.) with application and essay to:
 - PTRP
 - 575 N. Patterson Avenue
 - Suite 550
 - Winston-Salem, NC 27101

Selection Process

Students will be chosen to participate in the SciTech Technology Institute based on their expressed interest in science and math with consideration given to input provided by teachers, guidance counselors, and references.
